[OU2 Navy GW validated data - July 2018.pdf](#)

All:

As per discussions between the Navy and NYSDEC, NYSDEC requested that the Navy submit the validated data as soon as the information is available. Please find attached the pdf table for the July 2018 quarterly groundwater sampling data. The data includes both VOCs and 1,4-dioxan results.

I apologize for the delay, the validated data was just received. Validated data from the Sept/Oct 2018 and Dec 2018 sampling events will be provided shortly.
